WARNING: **RAZOR SHARP BLADES**

Handle and Dispose of with Extreme Care. Bending the blade could cause it to break and could result in serious bodily injury.

KEEP OUT OF REACH OF CHILDREN

1. To Insert Blade:

Push button to forward position and slide blade into open slot on one side of scraper as shown. Push against table top or other hard surface. Do not push with your fingers.

2. To Remove Blade:

Reverse above procedure.

3. For Best Results:

Scrape surfaces when wet, not dry, to avoid scratching glass.

Always Use Eye Protection
